RE: Re-Election to Assembly District #32

Dear Mr. Salas:

The Peace Officers Research Association of California (PORAC) is proud to endorse your campaign *for re-election to Assembly District #32 in 2014*. PORAC is a professional federation of local, state and federal public safety associations. With more than 900 member organizations, representing over 64,000 officers, PORAC is the largest statewide public safety association in California and the largest statewide public safety association in the nation. PORAC has long been a leader in fighting to enhance public safety, uphold professional training standards, and to protect the rights of peace officers.

PORAC prides itself on carefully scrutinizing the qualifications of every candidate. You will be an excellent representative for your district, especially in regards to the issues involving public safety. As public safety officers, we appreciate your willingness to keep the avenues of communication open and your concerted efforts to seek our input on issues involving public safety and law enforcement. These qualities make you truly deserving of the PORAC endorsement.

We look forward to your election and working with you on future issues.

Sincerely,

*Michael Durant*  
*President*
